

## CELL PHONE BEHAVOIR POLICY

1. Please talk quietly, including when talking on cell phones. If a lengthy conversation will disturb other patrons, please take the conversation outside.
2. Use computers and other audio equipment in such a way that sound is not disturbing to others. Individuals are required to use headphones if their computer or internet usage generates sounds which may disturb other library patrons.
3. Mute the ringer on your cell phone. Keep calls short and quiet. Use headphones when listening to audio content.
